

JOB DESCRIPTION
Pest Control Applicator - Maintenance

JOB DESCRIPTION:

The Pest Control Applicator under the general supervision of the Director of Maintenance and the direct supervision of the Maintenance Supervisor, schedules and applies outside pesticides and herbicides for control of pests, insects and weeds for a safe and healthy learning environment.

EDUCATIONAL / CERTIFICATION / EXPERIENCE REQUIREMENTS:

- High school diploma or GED
- Must be licensed as a Noncommercial Pest control Applicator by the Texas Structural Pest Control Board.
- Certified in the General Standards, Pest Control, Lawn and Ornamental Pest control, and Weed Control categories
- One year as a certified applicator
- Valid Texas Drivers License, insurable with Judson ISD insurance carrier, and a good driving record

ADDITIONAL REQUIREMENTS:

- Ability to pass Human Performance Exam (HPE)
- Skills testing will be required

KNOWLEDGE / SKILLS / ABILITIES:

- Knowledge of state and federal chemical regulations concerning pesticides and herbicides
- Must be familiar with appropriate equipment for pest control and herbicide application
- Must be familiar with proper procedures for mixing and disposing of required chemicals
- Ability to implement policies and procedures
- Effective writing and verbal communication skills

DUTIES AND RESPONSIBILITIES:

1. Complies to District policies and Maintenance Policies and Procedures and follows all safety procedures.
2. Maintains accurate records in accordance to federal and state regulatory pest control laws.
3. Prepares and submits required reports in coordination with the Maintenance Supervisor.
4. Coordinates all requests for supplies, chemicals, and safety equipment (required for safe handling and/or use of chemicals or other hazardous or toxic agents) with the Maintenance Supervisor.
5. Wears and maintains proper safety equipment required in the performance of all pest control activities.
6. Selects appropriate chemicals for the solution to various problems.
7. Responsible for maintaining and updating all pesticide labeling and material safety sheets (MSDS) and securing pesticides.
8. Responsible for the safe, proper and efficient use of all pest control equipment, keeping equipment clean, stored and in proper operating condition.
9. Responsible for attaining required continuing education units by attending training as required by the Texas Structural Pest Control Board to maintain license and annual renewal certification.
10. Maintains inventory of chemicals, supplies, and equipment required.
11. Communicates with campus administrators about requests and concerns related to pest control concerns.
12. When not performing duties as a Pest Control Applicator, will be assigned primary duties as a groundsman under the supervision of the Maintenance Supervisor.

13. The foregoing statements describe the general purpose and responsibilities assigned to this job and are not an exhaustive list of all responsibilities, duties, and skills required.

WORKING CONDITIONS:
