Gateway to Technology 1

Semester 1: Design and Modeling
Semester 2: Green Architecture

Assignments

Most of my classroom assignments are on Google Classroom, or in the students Engineering notebook.

Its important to check the To-do list and missing assignment list in google classroom every day so that students do not fall behind.

Supplies

Supplies needed each day:

- Engineering notebook(provided)
- Pencil and eraser
- Clear Ruler
- Highlighters (Fall), Colored pencils (Spring)

About Me

My name is Angelena Watkins Lones. This is my 11th year of teaching 6 years at JSTEM Academy and 15 total years in education. I was honored with the Air Force Association STEM teacher of the year award for 2021 & 2022.

How to Contact me:

Email: awatkins@judsonisd.org

School Phone Number: 210-945-1159 ext 21352.

When you call, please leave a detailed message and I will get back to you during my conference or after school.

JSTEM Expectations

Students can only make up a Project if the original score is a 69 or less. Projects must be made up within 5 days of the grade posting in Skyward. The highest score they can earn is a 70.

Daily assignments with a score of 69 or below cannot be corrected.

If a student fails two or more JSTEM classes they will be placed on academic probation and will be required to attend mandatory tutoring for the remainder of the nine weeks.

Late work may be turned in 3 days past the deadline, with a 10 point reduction for each day.

If a student is absent they have 1 day for every day they are absent to turn in late work. Make up work will not be completed in class. Students must attend tutoring or complete on their own time.
