# Did You Know?

JISD Child Nutrition has a specially trained dietitian that plans well balanced and delicious meals designed to help your student perform well in class and extracurricular activities.

JISD kitchens are inspected by each city health department where they are located TWICE a school year

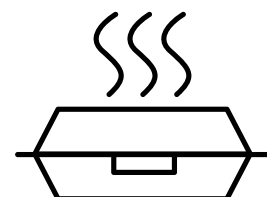

The Texas Department of Agriculture has recognized JISD's Child Nutrition Department as a leader in serving locally sourced foods. That means supporting our local economy and fresh foods on your student's tray.

Variety is all a part of the JISD menu. From Italian, Asian, and Mexican fare, we like to keep the menu fresh too. But we also keep other standard favorites in the mix as well.

JISD also offers special meal programs too. Breakfast in the Classroom, Second Chance Breakfast, and Dinner are offered at select campuses.
