New JISD Chief Financial Officer Hired To Take Position At New Year

Judson ISD is preparing for a change in leadership of its financial operations set for the beginning of 2019. The District named Bill Atkins as the new Chief Financial Officer. Mr. Atkins comes to JISD from Floresville ISD where he has spent the last 4 years as Assistant Superintendent of Finance and Operations. Before Floresville, he served Southwest ISD for 20 years in different administrative positions, the last 10 in its Business and Finance Department.

Mr. Atkins hails from Floresville where he graduated high school in 1985. He went on to receive his Bachelor's degree in Applied Arts and Sciences and Master's degree in Administration, both from The University of the Incarnate Word. Before working in education, Mr. Atkins served TXDOT as a Construction Project Manager.

When Mr. Atkins is not working or spending time with his two grown boys Taylor and Braden, he enjoys bicycling the many trails around the surrounding area as well as reading.

Professionally, he sees the move to Judson ISD as a new career challenge and personally a nice change that he looks forward to making. Mr. Atkins is currently in house at District Office working on the transition with Mr. Jose Elizondo who will be retiring at the end of 2018 after serving the district since May of 1989.
