Judson ISD Communications Earns Best of Category Honors

The Communications Department took home Best of Category Honors in video production at the recent Texas School Public Relations Association Conference in Cedar Creek, Texas. The Best of Category selection was for the video project *Montoya Moment*, which was a monthly video newsletter written and produced by the Communications Department.

In addition to this top state honor, the JISD Communications Department was awarded numerous other medals including nine Gold, 11 Silver, and one Bronze. These awards were for work produced in categories such as photography, video production, publications/writing, social media/marketing content, and logo creation.

These 22 awards are the result of hard work by the three members of the JISD Communications Department. They are Multimedia Specialist David Rhoads, Foundation Executive Director and Social Media Coordinator Lexie Greathouse, and Communications Director Steve Linscomb.

The Texas School Public Relations Association convenes each year to share ideas, experiences, and best practices through workshops and other professional development tools to improve communication between Texans and their public schools.
