***Texas School Recognized for High Achievement in Student Success by a National Campaign of
Business and Education Leaders***

Judson ISD today announced that Crestview Elementary School and Judson Early College Academy have been named to the 2018 - 2019 Honor Roll for its high achievement in student success. The program, presented by Educational Results Partnership, is part of a national effort to identify higher-performing schools and districts that are improving student outcomes. Crestview and JECA are two of 855 public schools in Texas to be recognized.

The 2018 - 2019 Honor Roll is developed by Educational Results Partnership (ERP), a nonprofit organization that applies data science to help improve student outcomes and career readiness. ERP maintains the nation's largest database on student achievement and utilizes this data to identify higher-performing schools and districts.

Schools that receive the Honor Roll distinction have demonstrated consistent high levels of student academic achievement, improvement in achievement levels over time, and a reduction in achievement gaps among student populations. For high schools, the Honor Roll recognition also includes measures of college readiness.

In Texas, the Honor Roll program is supported by numerous businesses and organizations, including the Texas Business Leadership Council, American Automobile Association (AAA) Texas, Macy's, Wells Fargo, Chevron Corporation and Enterprise Holdings Foundation.
