**Judson Girls Win 6A Basketball Crown! Let The Parade Begin!**

It was the third time in a row for the Judson Lady Rockets to be in the State UIL Girls Basketball Tournament, but it was definitely the sweetest. They secured the first UIL Girls Basketball title in the city's history going 38-5 for the year. To celebrate this incredible achievement, Judson ISD and the City of Converse are throwing a championship parade and pep rally Thursday, March 7, 2019. The parade will start at 4 pm along Schaefer Road, also known as Rocket Lane, with the procession ending at Rutledge Stadium for a big pep rally.

The parade route will begin near the intersection of Schaefer and Thornton Roads and will proceed in front of the Judson High School campus. Those wanting to view the parade can set up chairs along the route with parking at the high school. Converse and JISD Police will begin blocking off streets at approximately 3 pm to make preparations. Others who may want to wait at Rutledge Stadium for the pep rally can begin entering the stadium about 3 pm.

The pep rally will feature a number of special speakers including Coach Corrales, Finals MVP Corina Carter, and many others. The Judson High School Band and spirit groups will be on hand for the parade and the pep rally along with a number of community sponsors, so it will be a festive celebration.

Media will have designated locations along the parade route and the stadium for this event.
