#### About Judson ISD

Judson Independent School District is a Pre-K through 12<sup>th</sup> grade public school district in the San Antonio area. Prior to its current form, the district was known as Judson Rural School District No. 8. The rural district was created on June 25, 1958, by the Bexar County School Board and combined the existing districts of Converse, Kirby and Selma. The new district was named after Moses Campbell Judson. Today, Judson ISD serves over 23,000 students within the incorporated cities of Converse, Kirby, Live Oak, San Antonio, Selma, and Universal City. Judson ISD produces excellence throughout all campuses and builds strong connections with the community. The district earned a B rating from the Texas Education Agency and is constantly working on innovative ways to enhance the learning for its students. Judson ISD believes in providing a strong foundation for early learners by offering full day Pre-Kindergarten programs beginning at 3 years old. Being a district of choice provides Judson families to customize their own educational experiences through the multitude of programs the District has to offer.
