Judson ISD Board of Trustees Approves a Retention Incentive for all Full-Time Employees

At a regular board meeting on November 19, 2020, the Judson ISD Board of Trustees approved a retention incentive for all full-time employees. The incentive would be provided to all full-time employees who were employed as of September 1, 2020 and continue to be employed as of December 1, 2020. The amount to be given is \$750.

It is important that the Judson ISD staff knows how important they are to the system and how much what they do in and outside of our buildings is valued. This incentive acknowledges the hard work and commitment that the staff has shown to students and community.

“The Judson ISD Board of Trustees is so grateful and appreciative of the herculean efforts that have been displayed by the Judson ISD family during this unprecedented time of Covid-19. The Board of Trustees and I want to provide this retention incentive during the December paycheck to acknowledge the invaluable work you do and to show our utmost gratitude. The work you have done and the work you will do in the future is simply beyond measure,” Dr. Jeanette Ball.
