Judson ISD Designates Five Asynchronous Learning Days on the 2020-2021 Calendar

At a regular board meeting on December 17, 2020, the Judson ISD Board of Trustees approved the recommendation to designate five Asynchronous Learning Days for all students. The decision was made to give teachers additional support and to ensure the best learning opportunities for all students. The days will be used for teachers and staff to plan and prepare enhancements to both in-person and virtual instruction.

Students will be expected to participate in asynchronous lessons remotely. If a child has an extenuating circumstance or a need to attend asynchronous classes on campus, families must contact the campus directly. The following days are designated as asynchronous only days on the [approved calendar](#):

- Monday, January 4, 2021
- Tuesday, January 5, 2021
- Friday, February 5, 2021
- Monday, March 15, 2021
- Friday, April 16, 2021

“This has been a year where our employees have had to constantly adapt due to the changes and challenges that occur almost daily. Our intent is that these few days provide some additional time for our staff to evaluate and adjust teaching practices and lessons to increase engagement with our students. Judson ISD is truly thankful to be surrounded by a caring and resilient community of educators and staff who work closely with our families to make sure our students receive the best education possible,” Dr. Nicole Taguinod.
