Judson ISD Holds Flu Shot Clinics

The flu season is quickly approaching and getting a flu vaccine is more important than ever! Flu vaccination is recommended for all children aged 6 months and older and Judson ISD is offering a convenient opportunity for its students to receive this vaccine. Judson ISD is holding flu shot clinics for all students on October 28th and 29th at our campuses across the district. Parents must fill out a consent form to prior to the clinic dates. If families do not have insurance, students will still be able to receive the vaccination. The [Judson ISD website](#) has general information but specific questions should be directed to the school nurse.
