It's Back! Judson ISD Hosts The Senior Citizen Prom

Judson ISD is bringing it back by popular demand...a prom for the community's senior citizens. It's been duplicated by other local school districts, but **JISD Senior Citizen Prom** continues to get bigger and better. The JISD Senior Citizen Prom will be Saturday, June 8, 2019 **at the campus of Woodlake Hills Middle School**. This event will be geared toward seniors 65 years old and up and will include dancing to music ranging from the Big Bands to Good Time Rock N Roll Oldies along with an event photo station and the crowning of a Prom King and Queen.

In addition, there will be a photo station and a crowning of a Prom King and Queen. Along with that, for the ladies attending, cosmetology students will be on hand to help with their makeup or maybe a flash makeover. It'll be a nice bonus for those who might need a little help looking their best.

Those wishing to come can attend with a similar aged friend, on their own, or with a group. The point is to have a good time and meet other senior citizens from the community. Judson ISD is located between two military bases and a good number of our residents are retirees from the armed forces or from the private sector. This event is an outreach in hopes of bringing them out to meet each other and enjoy each other.

This could be a great news media opportunity for a feel-good human-interest story with plenty of visuals at the makeup station, dance floor, and the Prom King and Queen.

What: JISD Senior Citizen Prom
