Innovative Schedule

What is Innovative Schedule

Students will take 5 classes in the Fall Term and 5 classes in the Spring Term.

Students will be in classes that are 75 to 90 minutes long. This will allow teachers to work one-on-one with students who want or need more explanation about a lesson, or to get more practice in extracurricular courses such as band or athletics.

With more classes each year, students can dive into their academics and have more opportunities to earn college credit.

Students will complete a full year class in one term.

1 st Quarter .5 credit	2 nd Quarter .5 credit	3 rd Quarter .5 credit	4 th Quarter .5 credit
Fall Term 1 credit		Spring Term 1 credit	

Students can earn up to 10 credits per school year
