COURSE DESCRIPTION

This course includes a brief overview of Google suite, and exploration of photo editing software such as Photoshop, where students will have an outlet to effectively communicate their artistic points of view. You will also be diving into other software for video editing, and 3D modeling; all technology that will help you be prepared to exceed the expectations of your other teachers.

COURSE PHILOSOPHY

It is my belief that everyone has a sense of creativity through different avenues; for example, some are artistic, some have great imaginations, some have musical skills, some can be creative when organizing. Digital media allows students to explore possibilities using different techniques and technologies.

BEHAVIORAL EXPECTATIONS

As respectful young men and women, students are expected to behave in a manner that is appropriate for an academic environment. Success in the classroom is more than earning an "A," as behavior plays a key role in level of achievement. The following are the basic guidelines for ensuring behavioral success this year:

Be Respectful | Be Prepared | Be Constructive | Always Strive for Excellence

KEY COGNITIVE SKILLS

1. Intellectual Curiosity - Engage in scholarly inquiry and dialogue
2. Problem solving*** - Analyze, develop, and collect evidence to solve a problem
3. Academic behaviors - Self-monitor learning needs and seek assistance when needed
4. Academic Integrity – Applying ethical beliefs in all tasks

GRADING POLICY

- 60% Daily Work/ Quizzes
- 40% Tests/ Projects

LATE WORK POLICY

Work is considered late when it is not submitted on its original due date during the scheduled class period. Projects may be accepted late up to two days. However, there will be a point deduction for everyday it is late.

MAKEUP WORK POLICY

District policy applies to any makeup work for excused or unexcused absences. It is the responsibility of the student to obtain missed work before an extended absence period (typically three days) or upon the student's return to school.
