

**Tuition-Based Pre-K for the Community**

**Payment Letter**

Dear Judson ISD Community,

We are excited to offer the Tuition-Based Pre-K Program to our community at two locations - Wortham Oaks and Park Village Elementary! The mission of the Judson ISD Pre-K Program is to provide young children with the foundation for academic, social, and emotional growth. Judson ISD strives to create an environment that fosters school readiness for all Pre-K students. The tuition-based PK program for the community follows our all day schedule, and you can even enroll your child in our after school care program (AKA Adventure Club) for an additional nominal fee. Students who do not qualify for Pre-K, but are 4 years of age by September 1<sup>st</sup> are eligible for the tuition-based Pre-K Community Program. Please note that you do not have to be zoned to Wortham Oaks or Park Village to enroll; however, transportation is not provided via this program, unless there is already a route established from your home to the campus.

The cost of this full-day Pre-K program is **\$4,500 yearly** for tuition from August 2019 – May 2020. This amount breaks down into **10 monthly installments of \$450**. Payments are only acceptable through MySchoolBucks, and the first installment is due upon registration, and thereafter on the **5th** of every month. This payment structure is based on a yearly tuition rate rather than a monthly tuition rate in order to make payments more manageable. **Failure to make payment 10 days after the due date will result in automatic withdrawal from the program.**

We are excited to have your child join our Pre-K family! Thank you for entrusting us with your child's education.

**IMPORTANT! Please sign, complete registration paperwork plus this letter and return to the campus.**
