

PROPOSED REVISIONS

Curriculum Mastery

Promotion and course credit shall be based on mastery of the curriculum. Expectations and standards for promotion shall be established for each grade level, content area, and course and shall be coordinated with compensatory, intensive, and/or accelerated services. [See EHBC] The District shall comply with applicable state and federal requirements when determining methods for students with disabilities [see FB] or students who are English language learners [see EHBE and EKBA] to demonstrate mastery of the curriculum.

Students Receiving Special Education Services

Any modified promotion standards for a student receiving special education services shall be determined by the student's admission, review, and dismissal (ARD) committee and documented in the student's individualized education program (IEP). [See EHBA series and EKB]

Standards for Mastery

In addition to the factors in law that must be considered for promotion, mastery shall be determined as follows:0)

1. Course assignments and unit evaluation shall be used to determine student grades in a subject. An average of 70 or higher shall be considered a passing grade.
2. Mastery of the skills necessary for success at the next level shall be validated by assessments that may either be incorporated into unit or final exams or may be administered separately. Mastery of at least 70 percent of the objectives shall be required.

Grade 1

Mastery of the curriculum in grade 1 shall be based on the student's progress in the subject areas of English language arts and mathematics. In addition to satisfactory performance in these areas, the teacher shall determine that the student has mastered the skills necessary for success at the next level of instruction.

Grades ~~2-5~~ ~~2-8~~

In grades ~~2-5~~ ~~2-8~~, promotion to the next grade level shall be based on an overall average of 70 on a scale of 100 based on ~~course-level~~, grade-level standards (~~essential knowledge and skills~~) for all subject areas and a grade of 70 or above in math and reading. Reading and writing scores may be averaged if it benefits the student. ~~three of the following areas: language arts, mathematics, science, and social studies.~~

Grades 6-8

In grades 6-8, promotion to the next grade level shall be based on an overall average of 70 on a scale of 100 based on grade and course-level standards for all subjects areas and a grade of 70 or above in English language arts and reading (ELAR) and math.

Grades 9–12	Grade-level advancement for students in grades 9–12 shall be earned by course credits. [See EI, EIA, and EIF]
Students with Disabilities	Promotion standards and appropriate assessment and acceleration options, as established by individualized education programs (IEP) or grade-level classification of students eligible for special education, shall be determined by the ARD committee.
Limited English Proficiency Students	In assessing students of limited English proficiency for mastery of the essential knowledge and skills, the District shall be flexible in determining methods to allow the students to demonstrate knowledge or competency independent of their English language skills in the following ways:0. <ol style="list-style-type: none">1.— Assessment in the primary language.2.— Assessment using ESL methodologies.3.— Assessment with multiple varied instruments. [See EHBE]
Student Success Initiative	In addition to local standards for mastery and promotion, students in grades 5 and 8 must meet the passing standard on an applicable assessment instrument in the subjects required under state law in order to be promoted to the next grade.
<u>Accelerated Instruction</u>	<u>If a student fails to demonstrate proficiency on a state-mandated assessment, the student shall be provided accelerated instruction in accordance with state law. Additionally, students in grades 5 and 8 shall be subject to all provisions of Grade Advancement Testing, below.</u>
Definition of “Parent”	For purposes of this policy and decisions related to <u>grade advancement requirements</u> the student success initiative , a student’s “parent” shall be defined to include either of the student’s parents or guardians; a person designated by the parent, by means of a power of attorney <u>or an authorization agreement as provided in Chapter 34 of the Family Code</u> , to have responsibility for the student in all school-related matters [see FD]; a surrogate parent acting on behalf of a student with a disability; a person designated by the parent or guardian to serve on the grade placement committee (GPC) for all purposes; or in the event that a parent, guardian, or designee cannot be located, a person designated by the Superintendent or designee to act on behalf of the student. [See EIE(LEGAL)]
Alternate Assessment Instrument	The Superintendent or designee shall select from the state-approved list, if available, for each applicable subject an alternate assessment instrument that may be used for the third testing opportunity. Each student’s GPC shall decide whether he or she shall be

given the statewide assessment instrument or the applicable alternate instrument for the third testing opportunity. The committee's decision shall be based on a review of the student's performance in the previous testing opportunities, local assessments, and any other circumstances it deems appropriate.

Standards for
Promotion Upon
Appeal

If a parent initiates an appeal of his or her child's retention following the student's failure to demonstrate proficiency after the third testing opportunity, the GPC shall review all facts and circumstances in accordance with law, ~~and shall apply the following standards in deciding to promote or retain the student:0.~~

- ~~1. Evidence of satisfactory student performance, including grades, portfolios, work samples, local assessments, previous state assessments, or individual reading or mathematics diagnostic tests or inventories, as appropriate;~~
- ~~2. Improvement in student test performance over the three testing opportunities;~~
- ~~3. Extenuating circumstances that may have adversely affected the student's participation in instruction, required assessments, or accelerated instruction; and~~
- ~~4. Consideration of whether a student was not enrolled in a Texas public school for part of the school year.~~

The student shall not be promoted unless:0.

1. All members of the GPC agree that the student is likely to perform on grade level if given additional accelerated instruction during the following school year in accordance with the educational plan developed by the GPC; and
2. The student has completed s accelerated instruction in the subject area for which the student failed to demonstrate proficiency, ~~before placement in the next grade level.~~

Whether the GPC decides to promote or to retain a student in this manner, the committee shall determine an accelerated instruction plan for the student for the following school year, providing for interim reports to the student's parent and opportunities for the parent to consult with the teacher or principal as needed. The principal or designee shall monitor the student's progress during the following school year to ensure that he or she is progressing in accordance with the plan.

Transfer Students

When a student transfers into the District having failed to demonstrate proficiency on applicable assessment instruments after two testing opportunities, a GPC shall convene for that student. The

GPC shall review any available records of decisions regarding testing and accelerated instruction from the previous district and determine an accelerated instruction plan for the student.

If a parent initiates an appeal for promotion when a student transfers into the District having failed to demonstrate proficiency after three testing opportunities, the GPC shall review any available records of decisions regarding testing, accelerated instruction, retention, or promotion from the previous district and issue a decision in accordance with the District's standards for promotion.

**Assignment of
Retained Students**

A student not promoted to the next grade level shall remain at the same campus or shall be assigned to a similar campus setting.

**Reducing Student
Retention**

The District shall establish procedures designed to reduce retaining students at a grade level, with the ultimate goal being elimination of the practice of retaining students. [See EHBC]
