### Where can I find my child’s assessment results?

1. Log into your Skyward Family Access Portal by visiting [judsoinisd.org](http://judsoinisd.org)
2. Under **Families** TAB and click “**Family Access**” option

3. Enter your username and password and **Sign In**. If you don’t remember your username or password, select the option “Forgot your Username or Password” option.

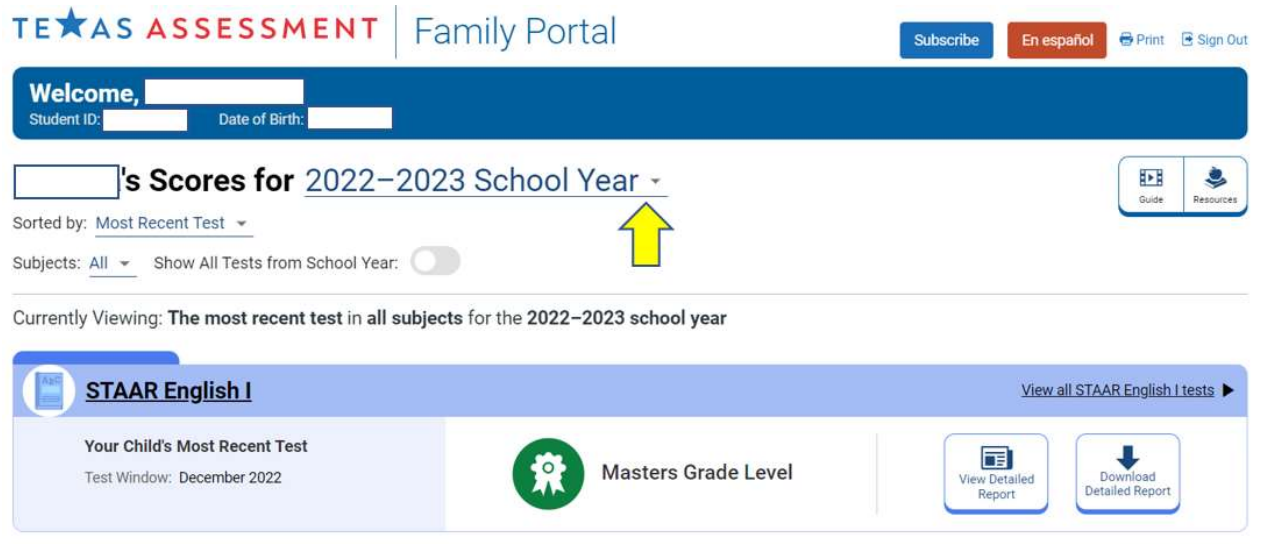

4. Once you log in, you will see the following screen. You will select the “Texas Assessment” icon.

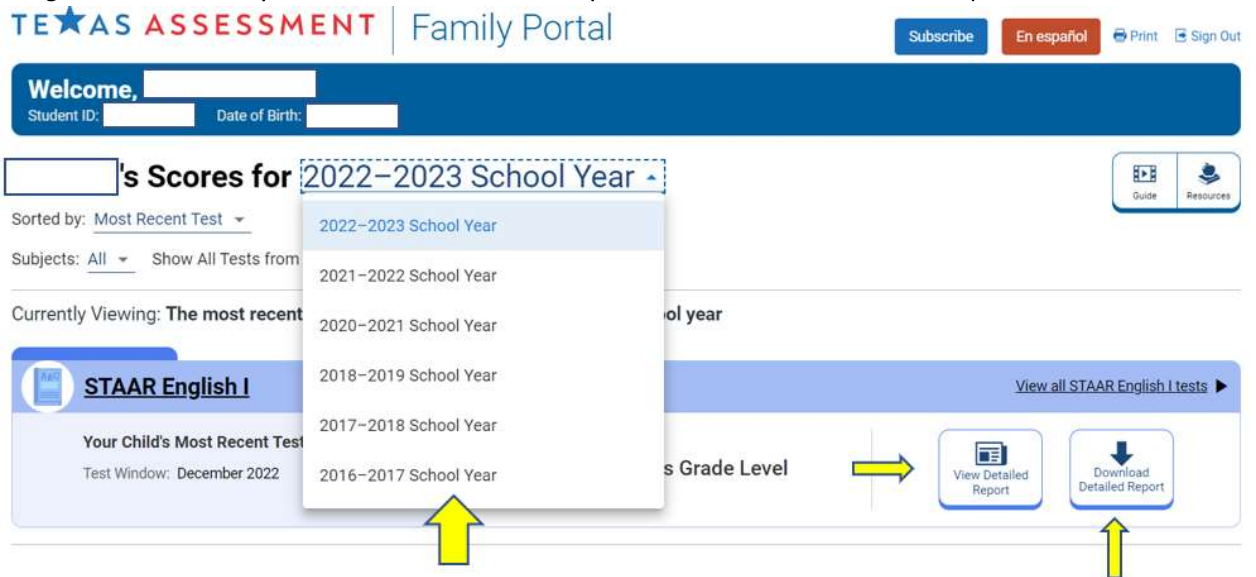

5. The following box will appear. You will click on the Texas Assessment Website link that appears as indicated by the arrow below.

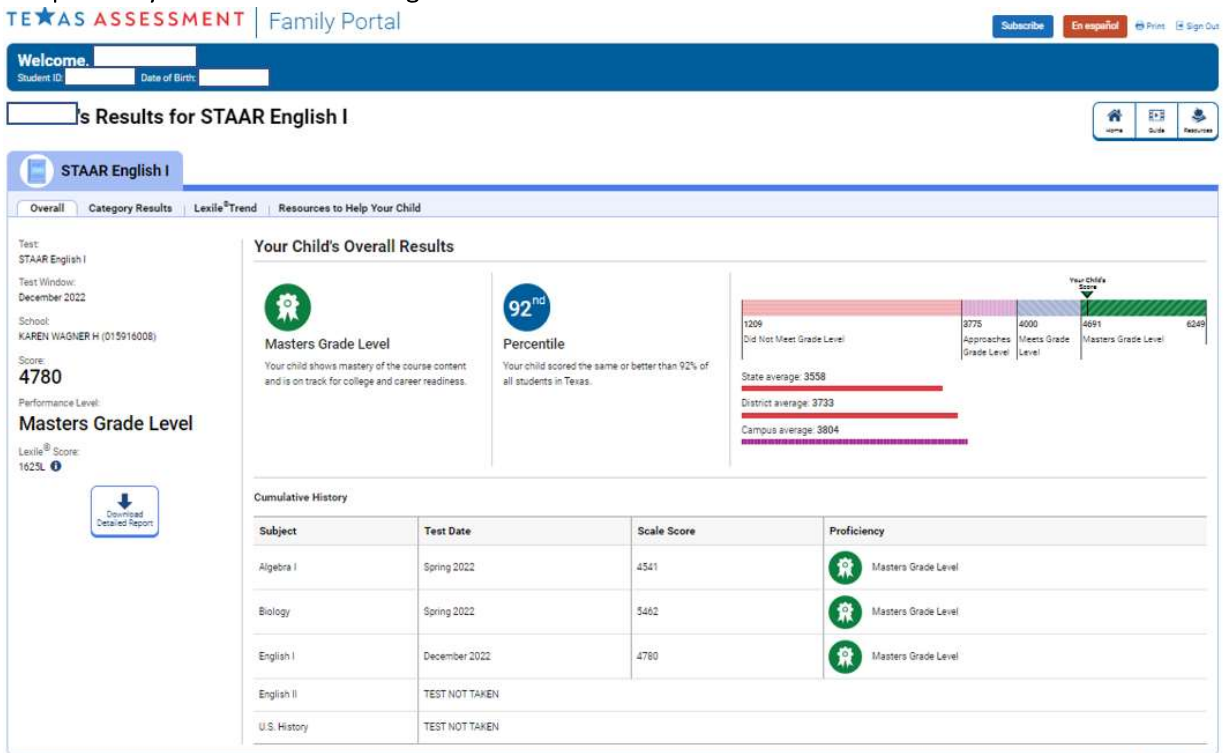

6. You will now have access to the Texas Assessment Family Portal. The assessments on that screen will be the assessments evaluated on the 2022-2023 school year.

- You also have the option to select other years from the dropdown menu as indicated on the image below. You may click on “View Detailed Report” or “Download Detailed Report.”

- A report on your selection will be generated.

If you have any questions or concerns about accessing the Skyward Family Access Portal, please contact the Judson ISD Help Desk at (210) 945-5473.

For any questions in reference to your child’s scores, please contact your school administrator.
