

What is a School-Parent Compact?

A School-Parent Compact is jointly developed with parents for all children served. A school-parent compact outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the state's high standards.

Effective Compacts:

- Begin with standards
- Focus on student achievement
- Respond to student data
- Define everyone's responsibilities
- Depend on **ALL** of us to believe in it and use it

Jointly Developed

The parents and staff at Escondido Elementary developed this School-Parent Compact for Achievement. Parents and teachers created the suggestions for home activities to support learning. Meetings are held yearly to update and improve the compact. Parents are welcome to contribute comments at any time.

Activities to Build Partnerships

At Escondido Elementary, we provide many opportunities for our students and families to learn and have fun at the same time.

You can volunteer by helping at school wide events, chaperoning field trips, and planning classroom parties. Some opportunities include:

- Site Based Campus Team
- Family Engagement Committee
- Parenting Partners
- Music Programs
- Various Clubs
- Coffee with the Counselor
- 5th Grade Science Camp Chaperone

Communication

Escondido Elementary School communicates with parents and families in a variety of ways including:

- Communication Folders
- Escondido Facebook Page
- Newsletters: School Wide and Grade Level
- Flyers
- School Marquee
- Progress Reports & Report Cards
- Parent/Teacher Conferences
- Skyward through JISD
- Updates on Escondido School Website
- ClassDojo

If you have questions regarding your child's progress, please call or email the teacher.

Goals for Student Achievement

Judson ISD Vision and Mission

Vision: Judson ISD is Producing Excellence!

Mission: All Judson ISD students will receive a quality education enabling them to become successful in a global society.

Goal 1: Effective Instruction: Judson ISD students will meet or exceed grade-level expectations and will be college, career or military ready.

Goal 2: Involving Families and Communities: Judson ISD will build trusting relationships with students, parents/guardians, and members of our community by encouraging stronger advocacy of their child's social-emotional well-being.

Goal 3: Positive School Culture: Judson ISD will create a positive school culture where the school community including students, staff, and parents/guardians feel valued, connected, and safe.

Goal 4: Leadership: Judson ISD will cultivate outstanding leaders and sustain their growth over time.

Goal 5: Customer Service: Judson ISD will create a welcoming environment, treat everyone with respect, and model kindness and empathy when interacting with families and communities.

In The Classroom

Escondido teachers will work diligently with students and their families to support student success in all academic areas. We are learning the following skills and topics:

- Math: How to problem solve and computations
- Reading: Read self selected text to increase reading stamina
- Science: How to investigate and reason through questions
- Social Studies: The history of our nation, it's constitution and government

Excellence For Every Child, Everyday

The Time to be AWESOME is NOW!

- All students at Escondido Elementary will master automaticity of mathematical operations, utilize problem solving strategies and process thinking, and use precise mathematical vocabulary.
- All students at Escondido Elementary will read and comprehend on grade level. All students will increase their automaticity by mastering the sight words/fluency goals using the Science of Reading. All students will use vocabulary appropriately orally and in writing through journaling and interactive word walls. All students will show consistent evidence choosing an appropriate text and reading to self to increase stamina.
- Students at Escondido Elementary will use the writing process to effectively communicate thoughts and ideas and will produce quality writing in all content areas.
- All students at Escondido Elementary will master the use of scientific inquiry methods, interpretation of charts, graphs, diagrams, and models, academic and content vocabulary, and prior and current grade level TEKS.

Escondido Students

Escondido Elementary School students will take ownership of their own learning by making connections between home and school. Students should:

- Be prepared for class.
- Bring their communication folder home daily, and share with their parents.
- Read daily.
- Complete classwork and homework assignments.
- Follow school and classroom rules to create a positive school environment.

At Home

Escondido staff appreciates family help and the support they give their students in reading and math. Here are some additional ideas and websites:

- Practice math facts and play games with your family.
- Remind your child to read for at least 20 minutes every night.
- Use Amplify and Zearn Math computer programs.
