Kinder Kids Can Meeting Notes; 11/18/21 3:30 p.m. - Woodlake Cafeteria

Dr Saunders welcomed all parents and introduced the Kindergarten Teachers, Mrs. Long Academic Coach and Mrs. Rogers, RTI Lead.

Mrs. Rogers presented the Alphabet Arc, it's purpose, how to do the activities with their child and variations that can be done. A discussion was held on how to help their child with learning letter names and sounds. How to help develop these skills and how these skills lend to the decoding of words and writing. Parents were given time to practice and teachers circulated around the room to assist as needed.

Mrs. Long talked about the Easy No-Prep On-the-Go Activities; these included cards with letters and missing letters to help develop learning the alphabet order and cards that help student identify beginning and ending sounds with picture support.

Parents were then given a bag of level A books for them to read with their child to help teach how to handle books, where to start reading, and just spending time with their kiddo to read together. Parents were encouraged to read the 10 books over the Thanksgiving break and then send the bag in to the school and the next level of books would be sent home for reading.

Parents were given time to talk with teachers, to ask questions or get suggestions to help their kiddos.

**Materials given to families:**

Alphabet Arc with a set of letters

Alphabet Activity Cards

A bag with 10 Level A books to read at home

The meeting ended at 4:30 p.m.
