

What is a Family-School Compact?

A School-Family Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Effective compacts:

Begin with standards

Focus on student learning

Respond to school data

Define everyone's responsibilities

Depend on us to believe in it and use it

Activities to Build Partnerships

- *PTO meetings
- *Literacy Night
- *Science Camp
- *Science Night
- *Career Day

Communication about Student Learning

Wortham Oaks Elementary School is committed to communicating regularly with families about children's learning. Some of the ways we communicate are listed below.

Student Planners

Wortham Oaks Newsletter

Parent-Teacher Conferences in September and scheduled as needed throughout the year

Messages sent via Remind

If you have questions about your child's progress, parents can contact your child's teacher by phone (210) 945-5750 or email.

FAMILY-SCHOOL COMPACT FOR ACADEMIC ACHIEVEMENT 2021-2022

Our Goals for Student Achievement

District Goals

Goal 1: To meet or exceed the Texas Education Agency standards on STAAR and prepare students for higher education and workforce readiness

Goal 2: To improve communication with all stakeholders by creating additional information pathways with increasing participation

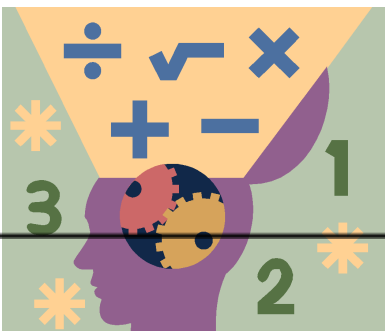

Goal 3: To increase employee retention and satisfaction making Judson a premier employer

School Goals

Goal 1: Improve, sustain, and support academic growth in the four core areas at or above grade level

Goal 2: Increase parent and community involvement in the school

Goal 3: Ensure effective leadership through the implementation of a sustainable leadership system

Teachers, Parents, Students – Together for Success

In The Classroom

Our class webpages are a great source of information to stay connected with what is going on in the classroom. Wortham Oaks offers two school-wide, family fun nights throughout the school year reinforcing reading, math, and science literacy.

*Literacy Night (February)

*Science Night (April).

At Home

Wortham Oaks Elementary School parents joined staff to develop ideas about how families can support student's success in reading and math. Families may have other ideas to add to this list.

Have fun with math; play some of the games we play in class at home

Play word games with the new vocabulary words and find ways to use these words in family conversations

Look for the quarterly school newsletter and check out the school website

Access teachers' recommended websites to practice skills at home

Make certain students complete homework assignments

Students

Wortham Oaks Elementary students joined staff and parents to develop ideas about how they can succeed in school. Ideas to make connections between learning at home and at school are listed below.

Talk with my family about new vocabulary words and what I am learning in school

Take home, school newsletters and notices about Family Fun nights

Keep a daily log of the reading I do at home

Learn and practice math facts every week

Come prepared and ready to learn every day

Family fun nights are a great place to learn new things and have fun!
