

What is a Family-School Compact?

A School-Family Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Effective compacts:

- Begin with standards
- Focus on student learning
- Respond to school data
- Define everyone's responsibilities
- Depend on us to believe in it and use it

Jointly Developed

The parents and staff at Wortham Oaks Elementary School developed this School-Family Compact for Achievement. Parents made the suggestions for home activities to support learning. School-wide meetings will be held each year to update the compact.

Parents are welcome to contribute comments at any time.

For more information on the pre-kindergarten 3 compact please contact, Wortham Oaks Elementary at 210-945-5750.

Activities to Build Partnerships

- Fall Carnival/ Spring Fiesta
- Family Literacy Night
- Science Night
- Field Day
- Parent Conferences
- Family Field Trips

Communication About Student Learning

Wortham Oaks Elementary School is committed to communicating regularly with families about children's learning. Some of the ways we communicate are listed below.

- Remind App
- Pre-K 3 Newsletter
- Parent-Teacher Conferences in October, February, and scheduled as needed throughout the year
- Communication Folder

If you have questions about your child's progress, parents can contact your child's teacher by phone (210-945-5750) or email.

Our Goals for Student Achievement

District Goals

Goal 1: To meet or exceed Texas Education Agency standards on STAAR and prepare students for higher education and workforce readiness

Goal 2: To improve communication with all stakeholders by creating additional information pathways with increasing participation

Goal 3: To increase employee satisfaction and retention of highly effective teachers and instructional aides

Goal 4: To spend money wisely, efficiently, and equitably by coordinating and integrating federal, state, and local funds to improve the overall learning environment.

Goal 5: All students will be taught in an environment that is safe, drug-free, and conducive to learning.

School Goals

Goal 1: To improve, sustain, and support academic growth in the four core areas at or above grade level

Goal 2: To increase parent and community involvement in the school

Goal 3: To ensure effective leadership through the implementation of a sustainable rock leadership system

Goal 4: To develop and implement a systematic approach to student discipline that results in a 10% decrease in discipline referrals.

Goal 5: To develop a safe, drug and bully free environment

Teachers, Parents, Students - Together for Success

In The Classroom

The pre-k 3 team will work with students and their families to support students' success in all content areas. Some of the key connections with families are listed below.

- Monthly theme based family projects
- Communication folders
- Pre-K 3 Weekly Newsletter

At Home

Wortham Oaks Elementary School parents joined the staff to develop ideas about how families can support students' success in reading and math. Families may have other ideas to add to the list.

- Try to attend Family Literacy Night and Science Night
- Play games to practice their name using hands-on activities (shaving cream, magazine cut-outs, rainbow writing)
- Read with my child everyday
- Engage my child in conversation about learning
- Look for the campus newsletter throughout the school year

Students

Wortham Oaks Elementary School students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in math and reading. Students thought of the following ideas to make connections between learning at home and school.

- Talk with my family about what I am learning in our theme based curriculum.
- Give my parents my take-home folder, which contains important information from my school.
- Have my family read my weekly library book together.
