

What is a Family-School Compact?

A School-Family Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Effective compacts:

- Begin with standards
- Focus on student learning
- Respond to school data
- Define everyone's responsibilities
- Depend on us to believe in it and use it

Jointly Developed

The parents and staff at Wortham Oaks Elementary School developed this School-Family Compact for Achievement.

We welcome additional ideas and contributions at any time. School-wide meetings will be held each year to update the compact.

For more information on the kindergarten compact please contact, Wortham Oaks Elementary School (210) 945-5750.

Activities to Build Partnerships

- Fall Carnival
- Fiesta Night
- Kindergarten Music Program
- Family Literacy Night
- Science Night
- Fairy Tale Ball
- Family Field Trip
- Parent Conferences
- Career Day
- PTO meetings

Communication about Student Learning

Wortham Oaks Elementary School is committed to communicating regularly with families about children's learning. Some of the ways we communicate are listed below.

Behavior Folders

Wortham Oaks Newsletter

Parent-Teacher Conferences in September and scheduled as needed throughout the year

Messages sent via ClassDojo

If you have questions about your child's progress, parents can contact your child's teacher by phone (210) 945-5750 or email.

Teachers, Parents, Students – Together for Success

Our Goals for Student Achievement

District Goals

Goal 1: To meet or exceed Texas Education Agency standards on STAAR and prepare students for higher education and workforce readiness

Goal 2: To improve communication with all stakeholders by creating additional information pathways with increasing participation

Goal 3: To increase employee satisfaction and retention of highly effective teachers and instructional aides

Goal 4: To spend money wisely, efficiently, and equitably by coordinating and integrating federal, state, and local funds to improve the overall learning environment.

Goal 5: All students will be taught in an environment that is safe, drug-free, and conducive to learning.

School Goals

Goal 1: To improve, sustain, and support academic growth in the four core areas at or above grade level

Goal 2: To increase parent and community involvement in the school

Goal 3: To ensure effective leadership through the implementation of a sustainable rock hard leadership system

Goal 4: To develop and implement a systematic approach to student discipline that results in a 10% decrease in discipline referrals.

Goal 5: To develop a safe, drug and bully free environment

In the Classroom

The kindergarten team will work with students and their families to support students' success in all content areas. Some of the key connections with families are listed below.

Monthly family projects

Wortham Oaks newsletter,
a school-wide newsletter
highlighting activities across the campus.

Communication folders

Kindergarten Newsletter

At Home

Wortham Oaks Elementary School parents joined the staff to develop ideas about how families can support students' success in reading and math. Families may have other ideas to add to the list.

Try to attend Family Literacy Night and Science Night
Play games to practice sight words and reading skills using hands-on activities (shaving cream, magazine cut-outs, rainbow writing)

Read with my child everyday

Engage my child in conversation about learning

Look for the campus newsletter throughout the school year

Students

Wortham Oaks Elementary School students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in math and reading. Students thought of the following ideas to make connections between learning at home and school.

I can talk to my family about my day in school.

I can practice reading, writing, and math skills at home.

I can read books with my family.
