Show your  
school pride &  
be a leader.

**What does being a safety patrol mean?**

## **Responsible, Respectful, Cooperative, and Helpful**

Safety Patrol is a select group of 4<sup>th</sup> and 5<sup>th</sup> graders that are committed to providing a safe school environment for all students. A safety member should be responsible, respectful, cooperative, and helpful.

**What does a safety patrol do?**

The job of the safety patrol is to protect students by promoting safe practices when arriving at school, on their way to the classroom or their designated area, and at dismissal by opening car doors for students to safely return home. They also serve as models for younger students who look up to them.

Safety Patrol at RME is open to all 4<sup>th</sup> & 5<sup>th</sup> graders until teams are filled. Students must get parent permission for participation. Safety patrol is a responsibility, but it is also a great opportunity to acquire leadership skills and to be part of a team. We hope you will join us and become a part of our amazing team!
