5th Grade Science Camp

For the first time ever at Escondido, 5th grade Lions experienced Science Camp. On Monday morning, students, teachers, and parent chaperones made the trip to Camp Twin Lakes in Cedar Park, Texas. While at camp, Lions got to experience all kinds of fun and exciting educational and physical activities such as hiking, canoeing, archery, and ziplining among many other fun and educational activities. Upon returning to Escondido on Wednesday afternoon, students had a surprise welcome from the entire school as well as surprise visits from parents and family members. Seeing the excitement of our Lions was absolutely heartwarming! What a fantastic memory and learning opportunity! Thank you to students, parents, teachers, admin, and community members for a great trip!
