Week of August 29 - September 2, 2022

A Peek at Our Week

Monday: Beginning of the Year Reading & Math Screenings will begin today & will continue until September 30th. Please ensure all Lions are attending class everyday! Teachers will share results in October, during Parent Conferences, once all screeners are completed.

Tuesday: We BELIEVE in YOU!

Wednesday: We all make mistakes!

Thursday: Treat others the way you want to be treated!!

Friday: Spirit Day - Wear an Escondido shirt to show your Lion Pride!

Sometime this week, weather permitting, we will have our first fire drill of the school year. We respectfully request your assistance by speaking with your child(ren), especially the littles. Let them know the alarm, will be very loud, but they do not need to be scared. They just need to listen to the teacher's instructions when exiting the building and not talk during the drill so they can hear if there are additional directions. We have to practice so everyone knows what to do if a real fire happens.

Below is a YouTube link of what the alarm sounds like. Please play it for your child(ren) so they can become familiar with the sound. I would recommend playing it at the highest volume setting and let your Lion know the alarm at school will be even louder.

PK-3

Congratulations, Mrs. Maddox!
She is super caring and always have a smile on her face. She's never seen with a frown.

#hearusROAR!
