Congratulations, Ms. O. !

Ms. O. is one of the best and most loving teachers we have here at Escondido Elementary. She is one of the greatest and one of the most loving teachers we have here at Escondido Elementary.

She is one of the first to come one of the last to leave everyday. She has such a fascinating connection with each and every student she comes in contact with. She also has such a huge heart and smile that we all love. She also treats all of her students just like they are her own. With that being said, she is so well deserving of this award. We love you Ms. O., thank you for being such an outstanding Lion.
