Can you believe it is the last day of October? Where has this school year gone, it seems like our first day was yesterday! October and November are when most Fall Conferences are conducted. Although several teachers began conferences in early October, many teachers are in the middle of Fall Conferences now. Many thanks to all the parents and guardians who have attended their conference.

Please remember to schedule your conference and make every effort to attend. We know life happens and there are instances when you may have to reschedule. We respectfully ask that you let your Lion's teacher know either by Dojo, email, or a phone call.

There are many studies that show a strong home/school connection is crucial for student success. At Escondido Elementary, we value and encourage every opportunity to build a strong relationship with our Lion parents and guardians! Please remember you can request a conference at any time should you have any concerns or questions. Thank you for all that you do and for being the greatest parents in all of JISD!

Congratulations, Ms. Imunique Denley!

Ms. Denley works hard to make sure the students are on task. The kids gravitate towards her in a way that they are comfortable to be around her, and she's kind to everyone.
