

How to access State Assessment Results Parent Guide

STAAR 2022-2023 Results will be available for parents to access through their Skyward Family Access Portal.

Where can I find my child's assessment results?

1. Log into your Skyward Family Access Portal by visiting judsonisd.org
2. Under Families TAB and click "Family Access" option

3. Enter your username and password and **Sign In**. If you don't remember your username or password, select the option "Forgot your Username or Password" option

4. Once you log in, you will see the following screen. You will select the “Texas Assessment” icon.

5. The following box will appear. You will click on the Texas Assessment Website link that appears as indicated by the arrow below.

6. You will now have access to the Texas Assessment Family Portal. The assessments on that screen will be the assessments evaluated on the 2022-2023 school year

For any questions in reference to your child’s scores, please contact your school administrator.
