# Attendance Awareness Month

## FUN FACT 1

### September as a predictor

Students who miss two to four days in the first month of school are likely to have a poor attendance record later.

## FUN FACT 2

### Students who are less likely to graduate

Those with high absenteeism in grade nine are less likely to graduate.

## FUN FACT 3

### Absenteeism starts from a young age

One in 10 kindergarten and first-graders are chronically absent.
