Parents and teachers who work together are unstoppable.

As we begin the second semester, we would like to revisit the Campus Communication Protocol flowchart.

The purpose of the flowchart is to streamline our communication with families so that we can respond to questions or concerns in the most efficient way possible. The importance of communication between school and home cannot be overstated and at Judson ISD Parents we truly value the school-home connection. Thank you in advance for your support as we enter the second semester, we are looking forward to a successful close to the school year.

Wortham Oaks Communication Protocol

Below you will find our communication protocol which is designed to promote *direct, open, and respectful* communication so that issues can be resolved quickly and effectively between the parties involved. We strongly encourage students and parents to follow this protocol. In turn, our staff members pledge to be sensitive to your concerns, to maintain confidentiality, and to return calls/emails within 24 hours.

At Judson ISD we are committed to producing excellence.

#1 Speak Directly to the Teacher

All students are encouraged to express their concerns directly to the teachers. If you as a parent are concerned about an issue involving your child's education, classroom experience, or grade, go right to the source and contact the teacher. Staff emails are found on the Wortham Oaks website at

<https://www.judsonisd.org/WorthamOaks>.

Teachers will make every effort to get back to you as quickly as possible, but it may take up to 24 hours. Please be patient. If you do not receive a return email or call within 24 hours, try again. After that, proceed to the next step.

#2 If you have not heard back from the teacher in a reasonable amount of time or if the concern has not been resolved after the teacher conference, contact:

ACADEMIC COACH/TRAINER

If your concerns stem from a classroom practice, grade, or particular book or assignment, contact the department head ***Wortham Oaks doesn't have an Academic Coach/Trainer***

COUNSELOR

If you wish to discuss specific academic or social-emotional concerns, contact the counseling department.
Ms. Hume: kume@judsonisd.org

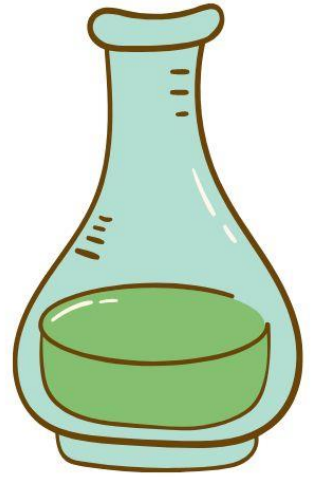

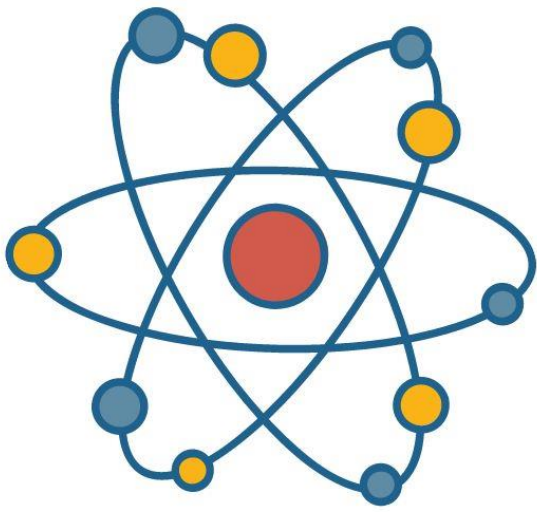

#3 If the addressed issue is still a concern, you may contact an assistant principal.

ASSISTANT PRINCIPAL

If your concerns are outside the parameters listed for the Academic Coach/Trainer or are related to a behavioral concern, contact your student's Assistant Principal Mrs. Garza: lgarza186@judsonisd.org

#4 If your concern has not been resolved through the Assistant Principal's office, contact the Principal, Mrs. Neira: 210-945-5750.

#5 If your concern has not been resolved at the campus level, contact the District Administrative Office at 210-945-5102
