

# Professional Learning in Pre-K

Cohort Sessions throughout the year

The sessions below are professional learning opportunities to develop the craft of teaching in Pre-K classrooms. Participants will receive instructional strategies that build on the WHY and WHAT of teaching to address the HOW. All cohort sessions meet the requirements to count toward yearly professional development requirement of 30 hours for highly qualified expectations.

## District Days:

September 20, 2019

October 15, 2019

## After School Sessions:

	New Pre-K Teachers	Open to ALL Teachers
January	January 16th	January 30th
February	February 13th	February 27th
March	March 19th	March 26th
April	April 16th	April 30th

## Additional Workshop Opportunity:

In addition to the opportunities above, teachers have access to 8 hours of any Pre-K sessions provided by Region 20. *To attend these sessions, it is the responsibility of the teacher to have clearance from his/her administration with the understanding that this is optional, AND substitutes must be acquired by the teacher and paid by the campus.*

All after school sessions run 3:30—4:45 p.m.
