

METZGER BAND SUPPLY LIST

www.metzgerband.com

It is very important that your child has an instrument that is of good quality and in good repair in order to be successful in band. This sheet will help guide you in obtaining an instrument that will be right for your child. Some of these instruments can be checked out from the school for \$60 per school year (\$30 in August and \$30 in January) and paid at www.MySchoolBucks.com. The other instruments can be obtained from a music store with various options for rental and/or purchase options. The rental fee depends on whether the instrument is new or used and the value of the instrument. Typically, rent-to-own prices will range from \$30.00 to \$50.00 a month with a maintenance agreement.

Please speak to a band director before you rent or purchase an instrument not on this list.
