August 2021

Dear WOW Parents/Guardians,

I hope your family had a safe and restful summer! I am looking forward to a great year with Wortham Oaks Elementary and am here to support the SEL (social, emotional, and learning) needs of your child. I have been a school counselor for 18 years and have enjoyed working in education for the last 22 years.

Typically, your child's class visits my classroom bi-monthly to learn SEL skills, character traits, and guidance lessons. However, due to the pandemic challenges, I will actually provide weekly in person counseling lessons for primary level classes and bi-monthly classes for grades second through sixth. In addition to classes, school events such as the Character Award Assemblies, Red Ribbon & STAAR Rally, and Career Awareness Week, are all part of our school- wide guidance program.

I look forward to meeting you and your student this school year. If you would like to meet with me individually please contact me to set up a private video, in person or phone conference with you, your child, or both. Please feel free to call or email me. In the event I am not available please leave a message with a convenient time for me to return your call.

Sincerely,

Kirsten Hume
