Week of September 14-18, 2020

Congrats to Ms. Brown! She received the Pick of the Pride award this week. She is such a wonderful asset to our campus and always goes above and beyond when performing tasks and assisting our lil lions. We hope everyone had a restful weekend. Grandparent's Day was Sunday and we had some beautiful pictures of Escondido families sharing wonderful memories. Thank you for your photo submissions. You can find them and other current Escondido news on our Escondido Facebook page.
