Flu season is quickly approaching us!

We strongly recommend that you get your child vaccinated and we will be offering shots to all our students October 28th and 29th.

If you have insurance please write your insurance number and the form. However, if you do not have insurance your child will still be able to receive the vaccination.

Please return your forms to your campus nurse as soon as possible. It will be recorded with IMM Trac so that if you need a copy you will be able to request that.

If you have any questions or concerns please contact Nurse Amy at 210-662-2250. Consent forms have been sent home with the students.

Clinic will start vaccines at 7:50 AM for students.

PICK OF THE PRIDE

Congratulations to Mrs. Rodriguez! She was the recipient of the "Pick of the Pride" award this week! She goes above and beyond with the Pre K 3 students. She has worked very hard on keeping the littles on task with their lessons and has even taught them some sign language! Way to go!!!!
