- Please be aware that the ERC technology department is available to handle Chromebook issues/problems from 7:30am-4:30pm, Monday - Friday.

Pick of the Pride

Congrats to Mrs. Taylor! She is the Pick of the Pride this week. Mrs. Taylor is an amazing Kinder teacher and is very dedicated to her students' academic growth and emotional well-being. She is passionate about her job and provides engaging lessons to her students.

There will be no school next week. We want to wish our Escondido Faculty and Staff a wonderful Thanksgiving Break November 23-27!

This week is Hunger and Homelessness awareness week. Escondido's National Elementary Honor Society will be taking on a new service project this week. Please look for details from our counselor, Ms. Duhart.
